

Calvary Wins Again

V1

It was the part of the service that he dreaded,
When the congregation stood to bow their heads,
He was well acquainted with that guilty feeling
And echo of the words the preacher said.
So often he declined the invitation
For Jesus Christ to cleanse and set him free,
But, today he made his way down to the altar,
Knelt down a sinner but, stood up redeemed!

Ch

Calvary wins again – Hallelujah!
Calvary wins again! – Amen!
There's still wonder working power in the blood that covers sin
Hallelujah! Calvary wins again

V2

As long as there is life there will always be a struggle
A tug-of-war between the right and wrong
And for everyone that makes their choice for Jesus,
Satan has a plan to stop salvation's song.
But, the Holy Spirit still draws souls to Calvary
And the power of the cross still saves the day,
And for every time a sinner meets the Savior
I believe the hosts of Heaven rise to say,

Ch

Calvary wins again – Hallelujah!
Calvary wins again! – Amen!
There's still wonder working power in the blood that covers sin
Hallelujah! Calvary wins again

Ch

Calvary wins again – Hallelujah!
Calvary wins again! – Amen!
There's still wonder working power in the blood that covers sin
Hallelujah! Hallelujah! Hallelujah! Calvary wins again
