

He Said That

V1

“When the enemy saber rattles, I will fight your battles”

He said that. He said that.

“When your friends have all deceived you, I will never leave you”

He said that. He said that.

Ch

He said, “Everything I promised, I have already done.

I’m just waiting for the time you need it most to come.

I’ll send Heaven’s vast resources against all evil forces,

Just lower down your panic thermostat

Trust Me and you’ll find I’ll be there right on time”

He said that. He said that.

V2

“When the stormy seas are leaping, I’ll be in your boat a-sleeping”

He said that. He said that.

“When this muddy water’s tossing, I will be the bridge you’re crossing”

He said that. He said that.

Ch

He said, “Everything I promised, I have already done.

I’m just waiting for the time you need it most to come.

I’ll send Heaven’s vast resources against all evil forces,

Just lower down your panic thermostat

Trust Me and you’ll find I’ll be there right on time”

He said that. He said that.

Bridge

Every time you start to doubt it. You’ll hear something else about it

God is at His best when it’s the worst

You can take somebody’s word, it may be just what they’ve heard

But, you can trust the one who said it first

Ch

He said, “Everything I promised, I have already done.

I’m just waiting for the time you need it most to come.

I’ll send Heaven’s vast resources against all evil forces,

Just lower down your panic thermostat

Trust Me and you’ll find I’ll be there right on time”

He said that. He said that.
