

I Love Living In Grace

V1

When I think about the Ten Commandments on the wall,
How if just one is broken then we're guilty of them all,
And that a Holy God demands a sacrifice be made,
It makes me think of Calvary and say,

Ch

I love living in grace, I love living in mercy,
I love living for Jesus more and more each day,
I love seeking His face I love claiming His promise
I love being forgiven, I love living in grace

V2

I will never have to pay the ransom for my sin,
Jesus reconciled me when He died and rose again,
So I will serve Him daily as an offering of my praise,
I could never pay the debt He paid

Ch

I love living in grace, I love living in mercy,
I love living for Jesus more and more each day,
I love seeking His face I love claiming His promise
I love being forgiven, I love living in grace

Ch

I love living in grace, I love living in mercy,
I love living for Jesus more and more each day,
I love seeking His face I love claiming His promise
I love being forgiven, I love living in grace
