

I've Been Blessed

Ch

I've been blessed, oh, I've been blessed
Something inside is flowing over my soul
I've been blessed, oh, I've been blessed
It can't get any better than this for I've been blessed

V1

Sometimes in the morning the devil starts workin' on me
He tells me everything is going so wrong in my life
But, I just stop and tell him, "Satan, you can get behind me!
I'm a child of God and I've won the victory!"

Ch

I've been blessed, oh, I've been blessed
Something inside is flowing over my soul
I've been blessed, oh, I've been blessed
It can't get any better than this for I've been blessed

V2

All day long I count them 'til I lay my head to rest,
I don't deserve what the Lord has done to me, can't you see?
But, right at the top, was the day when I took Jesus into my life
Cause, I've been set free and I can't help but, testify

Ch

I've been blessed, oh, I've been blessed
Something inside is flowing over my soul
I've been blessed, oh, I've been blessed
It can't get any better than this for I've been blessed
