

## That's What Makes Grace Amazing

V1

How sweet the sound – “I once was lost, but now, I’m found”  
And how can it be that an old rugged cross would pardon and set me free,  
Unmerited favor can only explain how One who was perfect would take all my blame,  
But, that’s what makes grace, that’s what makes grace amazing

Ch

You loved this world so much that You gave Your own life to save us,  
While we were yet in our sin, You reach out Your hand and forgave us (You forgave us)  
But when I see what I am, Lord I don’t understand, how You saved a wretch like me,  
And that’s what makes grace, that’s what makes grace amazing

V2

I should’ve died, I should’ve been the one crucified,  
But, Lord, you stepped in; the one spotless Lamb was sacrificed for my sin  
There’s no other word that could ever describe a Love that was willing to lay down It’s life  
But, that’s what makes grace, that’s what makes grace amazing
